

Dovecot Primary School
Year 1 Curriculum Map
Autumn 1

Welcome to Year 1

Teachers are: Mrs Matthews class teacher, Miss Chaloner, Mrs Warrilow and Mrs Sritheran teaching assistants and Miss Morgan 1:1 support. In our first half term of year 1 we will be having lots of fun. We will be reading lots of new stories, getting to know the routines of year 1. We will be enjoying choose time twice a day.

Maths

The children will recap on their learning from EYFS. They will use skills already learned to sort, count and represent.

Children will be taught to: r

Recognise numbers as words

Count backwards within 10

Greater than less than equal to

Place value to 10

Order numbers and count on from any number

Science - Everyday Materials

The children will explore different types of materials and their uses.

They will be taught to:

Distinguish between an object and the material from which it is made.

Identify and name a variety of everyday materials, including wood, plastic, glass, metal.

Describe the simple physical properties of a variety of everyday materials.

English

Our text focus this half term is, Lost and Found by Oliver Jeffers. A story about a lost penguin and his friend and their journey to find his home.

Children will be learning to construct a sentence using capital letters, full stops and finger spaces.

Children will know what a noun is and that we use a capital letter for the personal pronoun, I.

Phonics

Children will be grouped according to where they are up to individually with their their learning, We follow the Read write Inc scheme for phonics.

Art - Drawing Giuseppe Arcimboldo

The children will learn how to draw with a HB pencil. They will produce artwork using real life objects.

They will use different pencils to add shade and tone and begin to understand that different art pencils give different effects.

Geography

The children will learn all about the 5 oceans and 7 continents of the world. They will learn positional language. They will understand where they are in the world and learn how to use a map.

PSHE

The children will learn all about how to look after themselves, including the importance of sleep and dental health. They will also cover growing and understanding their feelings.

RE

This term the children will be taught some aspects of Christianity, Judaism and Hinduism. They will explore the idea of God as creator and learn some creation stories.

Computing The children will be taught how to switch on and shut down the laptop. They will learn how to navigate a laptop trackpad and will have the opportunity to explore their functions. Children will also learn about the main keys on a keyboard and use an application to explore their functions. Children will be taught how to use their mouse, trackpad and keyboard skills to log on to and log off, launch applications and create a piece of work. Children will be taught about online safety.

Music

In music we follow the Charanga scheme of work, the children will be exploring different instruments and learning fantastic songs.

Spanish

The children will begin to understand spanish as a different language and learn some basic words.

PE

Our PE day is Tuesday. We have a new PE coach this year. We will learn, Movement / Balance / team games.
