## Learning together, growing together

### Our Reception Classroom looks like this.

We learn to read and write, we work hard with our numbers and spend time investigating.

Our website has lots of information about our school. Mrs Dornan will use 'Class Dojo' to communicate with your family, she will share important messages and photographs of activities and special occasions. Your family can send messages to Mrs Dornan, this is really important as we want to make sure you are happy in school!

Coming to school on time, every day is very, very important. Creating good attendance habits at an early age means that you will have the best opportunity to make good progress and great friends!

If you are unwell and aren't able to come to school your family will need to let Mrs Dornan know. You can phone the school office on 0151 259 4065.
