Mrs Metcalfe

## Learning together, growing together

### Our Nursery Classroom looks like this.

We spend time playing inside and outdoors.

We are developing all the skills we need to effective learners.

Our website has lots of information about our school. Mrs Matthews will use 'Class Dojo' to communicate with your family, she will share important messages and photographs of activities and special occasions. Your family can send messages to Mrs Matthews, this is really important as we want to make sure you are happy in school!

Coming to school on time, every day is very, very important. Creating good attendance habits at an early age means that you will have the best opportunity to make good progress and great friends!

If you are unwell and aren't able to come to school your family will need to let Mrs Matthews know you can ring the school office on 0151 259 4065.
