ATTENDANCE

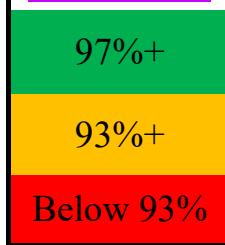

Missing a day here or there might not seem like much, but here are some statistics that might surprise you...

A child with 92% attendance is absent from school for 15 days, which is 3 school weeks.

A child with 88% attendance is absent from school for 23 days, which is over 4 school weeks.

The target that all schools aim for is to have a minimum of 97% attendance overall, and it is important that we all work together to try to get to this number!

Welcome Back!

It has been so lovely to see everyone back after the summer holidays. Thank you to you all as the children are all looking very smart.

There has been a positive start to punctuality as only 0.7% lates this week. Keep this up! Our attendance has been low this week due to holidays. Hopefully we will be back on track next week.

ASDA REWARD APP

If you have the Asda reward App you can nominate our school to receive cashback for every pound that you spend.
